NEA: www.nea.org

Scholarship Applicant:

The Twin Falls Education Association has provided scholarships to high school graduates for almost 30 years. Every year we raise funds through a raffle at the beginning of the school year. The educators of the Twin Falls School District generously support the raffle to provide scholarships to students who plan on majoring in education. Congratulations on choosing such a noble profession.

All completed applications must be emailed to Mike Wilkinson (wilkinsonmi@tfsd.org) by 3:30 PM on Monday, May 11th.

DIRECTIONS:

Create a cover page which includes the following:

- Name
- Phone number
- Email
- High school
- Cumulative GPA (end of semester 1 of senior year)
- List of school activities
- A one-paragraph synopsis of senior project
- Awards/honors received

Write a 2-3 page essay. Prompt ideas (answer one or more of the following questions): Why have you chosen to pursue a career in Education? Who has inspired you? What have been your most memorable educational experiences? What educational difficulties have you overcome? What qualities, characteristics, abilities and/or experiences do you possess that will enable you to be a successful educator? What is your dream job when you finish your degree?

Please have one former or current teacher email Mike Wilkinson a letter of recommendation. This needs to arrive before the scholarship deadline.

If you are selected to receive a scholarship you will be notified via email by May 18th. We will celebrate with you on social media.

Scholarship amounts usually range between \$500--\$1,000.

If you have questions please email wilkinsonmi@tfsd.org

Sincerely,

TFEA President
